

CS 346 Team Contract (Team #102-6)

Team roles

- __Thomas Wu__ is our team lead, and is responsible for coordinating the project.
- __Tony Zhou__ is responsible for merging code into Main and producing product releases.

Team meetings

- Our team will meet every Mon and Wed during class.
 - All members will attend these meetings or notify the team on Discord server in advance of anticipated absences. We all agree that absences should be rare.
 - All group members will come to the meetings prepared by
 - (a) reading the assigned material (as much as possible), and
 - (b) coming with ideas pertaining to the tasks and decisions to be made.
 - Members will not work on other assignments during meetings and will be engaged.
 - Decisions can be made during meetings even some members are absent.
 - Each member will take turns listening as well as talking, and active listening will be a strategy for all group discussions.
-
- __Angela Zacharia__ will post the agenda for the week on the Team wiki before Wed class.
 - __Jerry Zhang__ will take notes during all meetings and post them on the Wiki within 1 day.

Conduct

- Everyone agrees to the code of conduct outlined in the course policies.
